- Your entry point and pathway(s) should be no smaller than **35"** at the narrowest point.
 - If they are, please let us know and we can verify fit with your specific furniture selected.
- **Rooms have to be cleared of all old furniture and ready for the new furniture. *The delivery team will not move existing furniture.***
- Due to Liability, our delivery team is not allowed to wear booties or remove their shoes.
- In inclement weather, our delivery team will do their best to protect your floors. However, if you are worried about this, we recommend you have additional protection in place when they arrive for delivery.
- Repeat delivery trips due to the room not being cleared, furniture not fitting or any other reason causing our team long delays will result in additional delivery charges.

Ensuring your Special Order Furniture will fit into your space is YOUR responsibility. If you have any questions or concerns as to if your furniture will fit, please ask and we will be happy to assist. Please take a video from outside your home of the pathway our team will follow to where your furniture is intended to go. You can send that and measurements of your doorways/hallways as well as any other tight spaces/turns that you are concerned with and email them to us at justin@roomconcepts.com. *This needs to be done within 3 days of ordering if you want our assistance.*** ***If you are confident your furniture will fit, no action is needed on your part.*****

- **Deposits will not be refunded if your furniture does not fit into your intended space, so please measure and ask for assistance if needed.**

I have verified the measurements of my home to ensure the furniture will fit into my space.
